CONDITIONS OF SALE

1. Any bid which is merely a nominal or fractional advance may be rejected by the auctioneer, if in his judgment such bid would be likely to affect the sale injuriously.

2. The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the auctioneer shall either decide the same or put up for re-sale the lot so in dispute.

3. Payment shall be made of all of the purchase money at the time of sale, in default of which the lot so purchased shall be immediately put up again and resold.

4. Guarantee is made that every coin is genuine and that every lot is properly described. Should any lot be improperly described, said lot may be either made good or its purchase money refunded, at the option of the Association.

All claims must be made within ten days from date of sale, or otherwise no claim will be considered.

5. Withdrawal of any lot is within the option of the Association at any time up to the time of sale.

SPECIAL NOTICE

Buying or bidding by the Association for responsible parties on orders transmitted to it by mail, telegraph or telephone, will be faithfully attended to without charge or commission. Any purchase so made will be subject to the above conditions of sale, which cannot in any manner be modified.

Orders for execution by the Association should be written and given with such plainness as to leave no room for misunderstanding. Not only should the lot number be given, but also the title, and bids should be stated to be so much *for the lot,* and when the lot consists of one or more items, the bid per item should also be stated. If the one transmitting the order is unknown to the Association, a deposit should be sent or reference submitted. Shipping directions should also be given.

Priced copies of the catalogue of any sale, or any session thereof, will be furnished by the Association at a reasonable charge.
